## MARCO CRESPI WITH FENZI AT 72nd OPEN D'ITALIA

This is a highlight moment in the journey of the golf champion sponsored since 2014 by the industry leader in chemicals for secondary processing of flat glass.

From September 17th to 20th, Golf Club Milano (located near the headquarters of the Fenzi Group), hosts the highly-anticipated Italian appointment with the European Tour. Crespi feels right at home on this prestigious course, 18 holes where he trained and nurtured his passion for the sport.

*“Emotions run high as we see a friend and champion we believe in compete on 18 demanding holes with the possibility of challenging a field that includes some of the best players in the world in a technically and qualitatively high-profile tournament. Moreover, this really is “his” circuit and that makes the appointment in Milan especially meaningful for Marco and for us – explains **Fabio Fenzi**, Director of the Fenzi Group’s Ceramic Paints Division – The tournament runs concurrent to Expo Milano 2015 and is bound to have a major impact, offering the Fenzi brand-Marco Crespi team a first-rate international stage upon which to shine”.*
